YOU CAN MAKE A  
DIFFERENCE.

# EVERY "RIPPLE" MAKES A DIFFERENCE

YOU CAN MAKE A  
DIFFERENCE.

Investing in eternity involves reaching ONE soul at a time. Won by one, there is no other way to reach the souls of men and women, boys and girls, teens and young adults. Through Eagle Summit, we are reaching the lost, teaching believers and helping them grow in their knowledge of Christ so they in turn can reach others with the life-giving message of the Gospel. Your financial investment in Eagle Summit is an investment in eternity. Strengthening local churches is our passion. Enabling Pastors and church leaders to serve more effectively is our purpose. Through your prayer and financial encouragement, we are able to fulfill the passion and purpose God has embedded in our hearts and minds. You are part of the "ripple effect" that seems insignificant at first glance, but from God's perspective, makes an eternal difference.

CONSIDER SHARING WITH AN INDIVIDUAL OR CHURCH LEADER  
THE PURPOSE OF AND PASSION OF EAGLE SUMMIT MINISTRY.

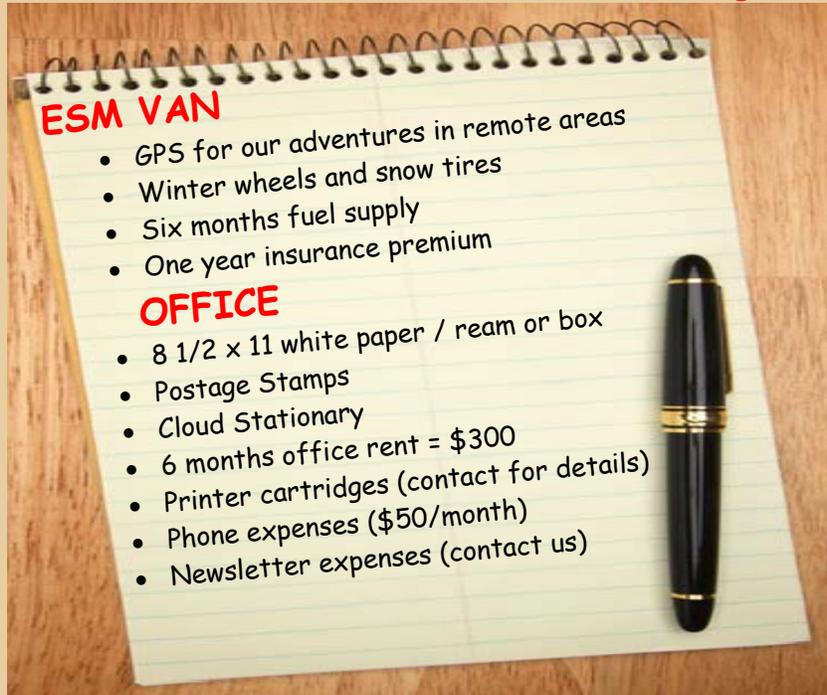

## The "Ripple Effect"

- YOU can be a part of the "Ripple Effect."
- YOU can ENCOURAGE and SUPPORT God's servants.
- YOUR SUPPORT and ENCOURAGEMENT motivates us to serve others.
- In turn, those we serve encourage others to grow in Christ and reach others . . .

Is there anything God is prompting YOU to do to, no matter how small you think it may be, to help us fulfill the Great Commission (Matthew 28:19-20)?

## Thoughts from Diane . . . Storms Of Destruction

Psalm 57:1 “Be merciful to me, O GOD, be merciful to me, for in you my soul takes refuge; in the shadow of your wings I will take refuge, till the storms of destruction pass by.” ESV

It's been an extremely hard start to work this year. The fourth day of school while loading the bus, I saw a boy grab a girl by the arms and shove her into a seat. I quickly decided to bring the young girl forward to separate the two. In the course of events the girl went home and told her mother that I was mean to her, the boy did not push her down and I was brought in to face false accusations. Then the girl continued to spread false accusations. The principle and the vice principle got involved and threats started. I won't go in to any more except to say that this scenario went into weeks of complicated rhetoric that just wouldn't stop. I thought about all the ways I could have started the school year. I also thought about all the ways I could have done things differently. I just wanted the storm to be over. Finally, after seven very long weeks, things have settled down. Will they stay that way? I hope that would be the case but I've driven school bus long enough that I know trials are no respecter of persons or times of life.

It is such a blessing to know God cares about me. To know that He loves me, walks with me and is there to hear my cries for mercy and to be assured that He will see me through. With every trial, whether it be something we have created because of poor judgment or one that blindsides us with it's enormity, God is there. He wants to hear from us, He wants us to talk to Him and tell us all about it. He knows us, loves us and will see us through. He has done that for me, over and over and He will do that for you

“Praise the Lord! Sing to the Lord a new song, his praise in the assembly of the godly!” Psalm 149:1

## Partnering Through Prayer

- PRAISE—George II's health is improving; still on Coumadin until at least December.
- PRAISE for special gift from one church
- PRAISE for another church's increase in monthly financial support.
- PRAISE—Diane is feeling better day by day. She has had a number of challenges at work; pray for wisdom in dealing with these issues and for a season of peace and calm.
- Continue to pray for new churches and/or individuals to commit to monthly support.
- Pray for two Pastors who are struggling with particularly difficult challenges.
- Pray for wisdom in developing our web page.
- Continual prayer for safety as we travel.

In speaking a few months ago with the regional director of Village Missions, he informed me that for the first time since he has served with VM, there were four pastors who were ready to serve, but no open fields. Usually, there is a greater need than available Pastors. He asked if we knew of any churches in rural communities in need of a Pastor. We had just been in touch with the folks at Lind Community Church in Lind, WA and were able to connect the church leadership with VM. It looks like this will be a perfect fit. We are praying to that end and pleased to be a part of this connection. It's neat when **God** puts things together.
